- The Civilian Marksmanship Program (CMP) is offered on Saturday mornings at 9:00 AM at the rifle and pistol range by Director Rick Benton. A great way to familiarize yourself with that type shooting.
- Jeff is still looking to replace older traps that repair parts are no longer available.

#### **New Business:**

- The bucket truck used to help take down ash trees is no longer needed and is for sale. Asking price is \$4,000.00. The club's 4 wheeler is no longer needed and is for sale also for a couple hundred dollars.
