Meeting Minutes for Tuesday January 6, 2026

Premeeting Presentation:

Immediately following the Pledge of Allegiance to the Flag, Walker Lee gave an update on the club's insurance that we buy through him. Our liability limit has been reduced from \$4,000,000/\$2,000,000 to \$2,000,000/\$1,000,000. Additional cost to restore to the higher limit would be about \$750 per year.

Property/structure coverage for the club's buildings and contents has been increased. No change in premium.

Walker suggested additional liability coverage for officers and directors with a \$1,000,000 limit for an additional \$922 per year.

Changes to be reviewed before a decision is made.
