2027 Membership Renewal Information

Programmable Gate Card - will continue to be authorized for the coming year upon completion of your renewal. Please note - if you loose your programmable gate card, a replacement card costs $10.

Membership Levels - same as last year. All memberships have *family* privilege. *Family* includes your spouse or significant other and children living at home that are 17 years old or younger. Full time students, between 18 and 21 years old are also included.

2027 Membership Dues – $70. A senior membership is $40. A member must be 63 years of age or older on January 1st. to qualify for senior rate.

Work Hours/Assessment - Often there are obstacles for members needing to satisfy their annual 16 hour work commitment. We will continue to accept a $25 assessment for any member not completing their required annual hours. If you are renewing your membership for 2027, and did not complete the required 16 hours of work at the WCSC during 2026, please include the additional $25 with your renewal. If you have previously made an additional donation, or have provided any other services for WCSC in lieu of work hours, please disregard the 2026 assessment.

Examples of Work Hours Opportunities - Helping with shotgun activities on Thursdays and Sundays is always possible. Several work days are planned every year. Events such as the Hunters' Tour Sporting Clays weekend shoots require many helpers to assure that things run smoothly. Also many members perform independent activities.
