### **3.0 New Business:**

3.1 Don Smith briefed us on the upcoming SCOPE meeting agenda and other issues.

3.2 Black Hawk wants to build some target holders out of metal. There was discussion about problems that may occur with that type of construction. They will make a sample target holder for consideration.

3.3 Greg brought up the need to hire someone to do some of the regular up keep. This would go beyond just Thursdays. Duties and responsibilities were discussed. There would be difficulty getting someone that could work somewhat flexible hours. Main duties are mowing, loading traps, servicing batteries. Members generally agreed that someone was needed.

3.4 New members (Dave and Courtney Maxwell) were recognized and welcomed to the club.

3.5 Greg discussed some problems he had on the range with members ignoring safety precautions and not wearing safety eye protection and/or hearing protection when on the range. Members are reminded that proper use of these safety items is mandatory. Failure to wear them could cost you your membership in the club.

Greg Hiller made a motion to adjourn the meeting at 7:38 PM. Motion approved.
