Addendum to the Meeting Minutes for Tuesday March 4th, 2025

I forgot to include some very important details of Tuesday night's Meeting Minutes and that is the nomination of Dave Samuelson as Vice President of WCSC.

It was discussed and Dave accepted the nomination. The election will take place at the next meeting of the WCSC on Tuesday night, April 1st, 2025.

And for those that do/did not know, me included, only WCSC Share Holder members can vote for club officers. Regular paid members cannot. A \$100.00 donation to the club would make you a Share Holder member. That was instituted years ago when the club was short of money and it was used as a fund raiser.

My apologies for not including this very important part of Tuesday's meeting.
