Meeting Minutes for Tuesday October 7, 2025

Call to Order

The meeting was called to order by President Tim Montondo at 7:00 PM immediately following the Pledge of Allegiance to the Flag.

Members in Attendance: Dan Sperr, Joe Amorese, Luis Rivera, Barry Virts, Rick Aman, Dave Samuelson, Bob Crombach, Ron Nearing, Bill Lansing, Jeff Kunzer, Eric Giebner, Bill Jolliff and guest Walker Lee.

Guest Presentation:

Guest Walker Lee, in addition to being an active Hunter's Tour shooter and member of the Canandaigua Sportsman's Club, sells insurance. Walker presented to WCSC a proposal that would insure the club for damage or loss to property and also liability insurance and the cost for that insurance. The club will definitely consider Walker's proposal but will also listen to what another insurance carrier offers and how much for that coverage. Decision to be made by the end of this month.

Officers Reports:

- Minutes for the September 2nd meeting were read and approved.
- Club Treasurer Jeff Kunzer gave his report for September. His report was approved. Jeff reported there were 533 paid members as of September 30, 2025.
- Sporting Clay's Report: Jeff Kunzer reported there were more than 21,000 targets thrown during the month of September with about 235 shooters participating in the Hunter's Tour Shoot that WCSC hosted on September 24th, 26th and 27th. Also noted there was good participation in the Youth Program.

Old Business:

- Archery range and targets are all set to be used by member shooters using long bows, compounds and cross bows. Shooters must use field or target points. No broad heads. Generally open when the Sporting Clays course is not open and active. Use your member electronic gate key to get into the rifle and pistol range and walk through the smaller enclosed pistol range to the archery range.
- Two sealed bids were received for the sale of the club's 4 wheeler with the higher offer to be notified.
- A similar sealed bid sale will be offered to members interested in acquiring the club's snow blower. Interested bidders should visit the club when someone is there and have the barn open to inspect the snowblower. That would be most times when the Sporting Clay's and Skeet and Trap fields are open. See club website for days and times.
- The club Swap Meet went fairly well and may become an annual event.

New Business:

- Charlie Schweigert's perch and walleye fry will take place on Saturday morning October 18th. There will be fish plus an assortment of other terrific goodies. You don't have to shoot to participate – just show up and enjoy. Food will be ready by about 10:30 and will continue until the food runs out or everyone is satisfied. Donations gratefully accepted for the Youth Fund.
- In addition to the food, there will be an official Sporting Clay's event with the shooter with the best score winning \$1.00 according to what the club President has offered. Or did he offer \$5.00?
- The resident of the club's trailer has passed and his possessions will be directed accordingly and the property cleaned up.
- There will be a Spooky Shoot on Thursday night, October 30th at the skeet field that is now wired for black light. Show up around 6:30 PM. Should be interesting.
- Need for a Club Manager was discussed. Such an individual would be needed to insure various club duties and tasks would get done in a timely manner, either by him or helpers. It would be a paid position. More to come on this matter.
- There may be dues increase starting in 2026 to help finance and pay for club functions

Wayne County SCOPE Report:

- Nothing to report.
