- 31,000 clay targets were used in October.

**New Business:**

- The Winchester trap that is used on the Trap range is not working. Hoping to get it fixed as new ones are too big and won't fit. Looking to buy a used and functional one from a local gun club.
- The Black Light 5 Stand will start at 6:00 PM on Thursdays with the clocks turned back. Jeff purchased and installed two more black lights.
- Jeff is working on the club's 2027 budget. Should be a little lower with the trailer gone. Might look to get 3 new traps next year.
- Nominations for Officers and Directors will be done at the December meeting and voting will occur at the January meeting.

**Other:**

- A spotting scope was left on the rifle/pistol range on Monday or Tuesday, October 5th or 6th. Please contact Jeff Kunzer to describe and recover. Contact info on club web page.
- Time for members to renew their club membership. Can do it by mail or in person. More detail and renewal forms, etc. are on the club website.
- The bucket truck is still for sale for $3,000. An old truck but still very functional.
